1. Application

- 1.1 This annexure sets out the Scheme specific arrangements applicable to Sasolmed Medical Scheme (“Sasolmed”) in addition to the terms as set out in the main Agreement to which this is an annexure.
- 1.2 The arrangements set out in this annexure are applicable and effective for Covered Services with treatment dates from 1 January 2018.

2. Summary of Sasolmed the Covered Services

Set out below is a summary of the Covered Services to be provided to the Members of Sasolmed, subject to the full registered rules of the Scheme in respect of the year under consideration.

Optical benefit	24 month benefit cycle, starting 01 January 2017: Spectacle lenses, lens enhancements, frames, contact lenses and fitting.
Spectacle lenses	One pair single vision or bifocal or multifocal lenses per Beneficiary per 24 month benefit cycle, at Scheme rate, included in optical limit.
Frame and lens enhancements	R1 630 per Beneficiary per 24 month benefit cycle, included in optical limit. Lens enhancements to be billed at Iso Leso contracted rates (Scheme Rate).
Contact lenses	R2300 per Beneficiary per 24 month benefit cycle, included in optical limit, at Iso Leso contracted rates.
Consultation	Subject to managed care rules, payable from consultation benefit, at scheme rates. Level 2 rates apply to Iso Leso PEP accredited Participating Optometrists.
Keratoconus	Subject to ICD10 code H18.6, contact lenses for Keratoconus will pay from medical devices benefit at Scheme rates, subject to medical devices benefit limit, further limited to R2300 per lens.
